

# UNUSUAL CONDITION

**Texas Lady Suffered With Pulling and Aching Pains in Her Back, Which Cardui Relieved.**

Houston, Texas.—Mrs. C. D. Cook, of 1912 Whitty Street, this city, recently said: "About four months after my marriage, I . . . began suffering much pain, and knew that my condition was unusual, but couldn't just decide what was wrong. I had to go to bed. . . ."

"All across my back and hips were pains, pulling and aching until I could hardly sit up. I stayed in bed a few days. My husband had heard of Cardui. . . . so I told him he might get it. . . . After I had taken Cardui a few days, I was up. I took five bottles and haven't been in bed since for this trouble, for if I have the least symptoms of this trouble I get Cardui and take it in time.

"I have a number of friends who have used Cardui, and they recommend it very highly."

The experience of this Texas lady is similar to that related by thousands of other women.

Cardui is purely vegetable, and mild and gentle in its action. Cardui may be the very medicine you need if suffering with womanly troubles.

Take Cardui. **NO. 136**
